WHEN THE SUN GOES DOWN

Alicia Acosta · Mar Ferrero

diversity

At the end of the day, the sun goes down. Happily setting behind hills of the town. But where are all the animals rushing off to? Join Giraffe, Elephant, Parrot and others to see where everyone is going in such a hurry!

A board book written by Alicia Acosta, author and psychologist and beautifully illustrated by Mar Ferrero shows families in all their wonderful variations, as they return home at the end of the day to go to sleep.

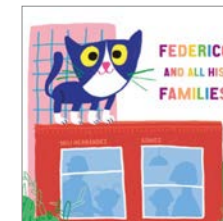

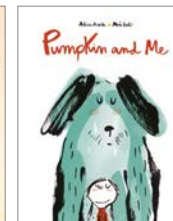

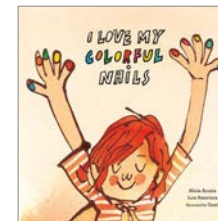

Little animals are in a hurry to get home before the sun goes down. Come and learn about the different types of families in this poetic book before it comes... bedtime!

CUADRADO

Mac Barnett · Jon Klassen

friendship

One of the books
in the *Shapes Trilogy*
by multi-award-winning
duo Mac Barnett and
Jon Klassen. Now
in Spanish!

This book is about Square. Square spends every day taking blocks from a pile below the ground to a pile above the ground.

This book is also about Square's friend Circle. Circle thinks Square is an artistic genius. But is he really?

With the second story in a trilogy of tales about Triangle, Square, and Circle, Mac Barnett and Jon Klassen nudge readers toward a more well-rounded way of looking at things.

Imaginations will run wild, and the ending delivers room for lots of discussion. The Shapes Trilogy series inspired Shape Island from Apple TV+.

friendship

Triangle and Square are visiting Circle, who lives at the waterfall. When they play hide-and-seek, Circle tells the friends the one rule: not to go behind the falling water. But after she closes her eyes to count to ten, of course that's exactly where Triangle goes.

Will Circle find Triangle? And what OTHER shapes might be lurking back there?

With their usual pitch-perfect pacing and subtle, sharp wit, Mac Barnett and Jon Klassen deliver a new and funny chapter of their clever *Shapes Trilogy*.

This book is about Circle. This book is also about Circle's friends, Triangle and Square. Also it is about a rule that Circle makes, and how she has to rescue Triangle when he breaks that rule.

emotions

A light-hearted
picture book which
takes a different look
at colors and emotions!
Is blue really sad and
red really angry?

Three friends, Bear, Deer and Squirrel are having a picnic. They are waiting for their friend Fox to join them. When he turns up wearing his blue t-shirt, everyone assumes he's sad.

Fox is confused – why do they think he is sad? He feels happy. Why does blue have to be associated with sadness? And why is red linked to anger?

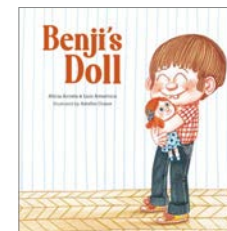

Fox wants to be free to like and wear all different colors!

After I Love My Colorful Nails and Benji's Doll, Luis Amavisca and Alicia Acosta are back together with this fun picture which looks at emotions without attaching them to colors.
