Pee and POO

The do's and don'ts
to avoid mishaps

Susanna Isern · Mar Ferrero

Today is Koala's birthday, and he's throwing a big party at his house. Daddy Koala has prepared some delicious snacks.

Parties are lots of fun. Friends get together, and there are games, and music, and food, and drinks. But sometimes, certain needs pop up... and it's helpful to keep in mind some tips to avoid any mishaps when you need to go to the bathroom.

At three o'clock, the guests begin to arrive.

"Happy birthday, Koala!" everyone cries.

But Toucan bolts inside and runs straight to the bathroom without even saying hello.

"What's with him?" Koala asks.

"Toucan needed to use the bathroom really badly," Giraffe explains.

"Oh, he should have done that before he left home."

Remember to go to the bathroom before leaving home, even if you don't feel the need at that moment.

The party has begun, and everyone is having lots of fun. But Elephant is acting a little strange. She's playing cards, but her legs are squirming nonstop.

"Do you need to pee?" Shrew asks.

"Just a little," says Elephant. "I can hold it until the game is over."

Five minutes later, Elephant leaps up.

"Quick, quick, I can't hold it any longer!" she cries as she runs for the bathroom.

But it's too late. Oops! Elephant didn't make it in time.

After the sack race, Squirrel is so thirsty she gulps down two enormous glasses of water. A little while later, she has to pee very badly.

“Where’s the bathroom?” she asks.

“It’s the first door on the right,” Daddy Koala tells her.

Squirrel rushes inside, finds the bathroom, and without stopping to think... she opens the door! But surprise, there’s already someone there.

“Excuse me, I didn’t know anybody was in here.”

Don’t forget to knock
before going into the
bathroom.

With Squirrel's abrupt entrance, Cat is scared out of his wits.

"Hey! Close the door!" he cries.

He gets so nervous he can't aim straight, and pee splashes onto the toilet seat and the floor.

"What a disaster," Cat mumbles. "I'll use some toilet paper to clean it up."

As everyone enjoys their snacks, Turtle suddenly feels the urge to use the bathroom. On his way there, he notices a Rubik's Cube and decides to borrow it. Absorbed in trying to solve the puzzle, Turtle loses track of time and doesn't realize that an enormous line has formed outside the bathroom!

Avoid occupying the bathroom longer than necessary; someone may be waiting.
